Representation of Mr L. Lingaya, Prob. Asst. comr. doing duty as P.A. to the Minister for Local Self Govt requesting that he may be exempted from training as III class and II class Magistrate and that he may be confirmed as Asst. comr. in any of the existing vacancies or as a Supernumerary

The requests of Mr L. Lingaya, Prob. Asst. comr. doing duty as Personal Asst. to the Minister for L.S.G. are the following :-

- (a) Exemption from training as III class and II class Magistrate
- (b) Confirmation as Asst. comr.

(2) Re: (a)

Mr. Lingaya was nominated as a Probationary Asst. comr. along with the following in the order indicated below

- (1) Mr. M. Subramanyam
- (2) " Samuel Appaji
- (3) " S. Muniswami (since deceased)
- (4) " V. Venugopal Vaidu
- (5) " H. L. Lingaraj - IAS
- (6) " N. Narasimha Rao
- (7) " G. H. Adirajaya
- (8) " L. Lingiah
- (9) " B. S. Hanuman
- (10) " S. Nanjaya
- (11) " J. Ahmed Ali Khan
- (12) " R. Sampath Kumaran.

Besides these Mr. R. Ananda Krishna was

who stood first in the H.C.S. Examination of 1946, was also appointed as a Prob. Asst. commr before the nomination of the persons referred to overleaf

~~For necessary in this~~ Mr Luigaiya has so far completed training in the following items:-

- (1) St and Sub- offices : 3 months
- (2) Treasury work : 2 months
- (3) Engineering Training : 3 months
- (4) Accounts Dept : 4 months
- (5) Survey training : 1 month

4 The Rev. commr. in his letter No. A1-511/46-47 dated 15th January 1947, recommended that, in view of the fact that Mr Luigaiya has worked as Amildar Sagar for nearly 2 years he may be exempted from undergoing training in the three items of work referred to below:-

- (a) Taluk office training one month
- (b) Independent charge of a TK: Three months.
- (c) Training as Magistrate III class: Two months.

But Govt in go. No. 3606-81 C.B. 65-46-3 dated 4th Feb. 1947 exempted Mr Luigaiya from undergoing training in the two items of work, noted below:-

- (1) Taluk office Training month
- (2) Independent charge of a TK: 3 months.

and as regards exemption from Magisterial training as III class Magistrate, the Rev. commr was informed that Mr Luigaiya may have training as Third class Magistrate as this would give him some grounding in criminal work and be useful to him later. (vide Letter No. 3609/CA 65-46-3 dated 4-2-47). In

R "

[since disturbed and
separately submitted]

In this connection kind reference is also invited to the Minute of the Hon'ble Rev. & Comrs. in para 21 of the notes in C.O. file no. 65-46-# - linked therewith.

5. The period of training ^{to be undergone} ~~for~~ in the Survey Dept is ^{for} two months. But Mr. Lingaya had had training in this Dept for ~~about a~~ ^{about a} month when he was withdrawn and posted as P.A. to the Hon'ble for L.S.G.

6. As regards Magisterial training, one has to work as III class Magistrate for 4 months and as II class Magistrate for 2 months i.e. for a total period of six months. Mr. Lingaya will be completing the probationary period of two years on 10-8-48 and he has therefore, a little more than six months before him to complete the two years' probation.

7. In the circumstances explained above, the question of grant of exemption from training as a Magistrate to Mr. Lingaya, is for orders.

Re: his confirmation as Asst Commr

8. According to para 208 of the Gen. C.O. and Standing orders, a Probationer will be confirmed as Asst Commr on becoming qualified by passing all the prescribed examinations except Civil Parts I and II and going through the course of practical training with credit. The note to the same para says that Prob. Asst Commr who qualifies himself by passing the prescribed examinations, will be confirmed with effect from the date

date of expiry of the term of Probation calculated from the date of this appointment Mr L. Lingaya reported himself for duty as Prob. Asst Comr. on 10-8-1946 and the Probationary period of two years will expire on 9-8-1948. His confirmation as Asst Comr. has therefore to take effect from 10-8-1948 provided he satisfies the other conditions.

9. In this connection it is also submitted that Mr R. Ramachandra Rao Achombore who was appointed as a Probationary Asst Comr. from 2-1-1925 held the post of an Amildar for about 2 years and from the History of Services of Gazetted Officers (page 285) it is seen that he was confirmed as Asst Comr. from 2-1-1927, after the expiry of the Probationary period of two years. Again Mr K. Gopalrao who, prior to his appointment as Prob. Asst Comr. from 28-1-1937, held the post of Dy. Amildar and Amildar for nearly six months. He too was confirmed as Asst Comr. from 28-1-1939, after the expiry of the period of probation for two years. (vide page 77 of a History of Services of Gazetted Officers)

~~By the above circumstances~~

10 The rank of Mr Lingaya among the Prob. Asst Comrs appointed in ~~the~~ the year 1946, is 8th as noted below:—

- (1) Mr R. Ananda Krishna
- (2) " H. Subramanyam
- (3) " Samuel Appay

15) I have no objection to Sri Lingiah being granted exemption from training in III and II class magistrates nor to his being placed above the other probationers at the time of confirmation. The only point is whether in continuing him before the period of probation (namely two years) is not in itself bearing against para 208 of the rules and standing over. The note attached to it says that the probationer who has satisfied himself will be confirmed with effect from the date of expiry of the term of probation calculated from the date of his appointment. In his remarks the Bench makes an observation that there are precedents for such a course being continuing before the expiry of the period. But such precedents as have been quoted - the cases of Sri Ramakrishnaiah, Shombole and Sri K. Gopalrao are fairly good. They were assistants for 3 years and 6 months respectively. They were confirmed at the end of the probationary period. I am very anxious that no bad precedents may be created. If this is done in the case of Sri Lingiah it will be quite open to others who might qualify similarly to ask to be confirmed before their period.

To
The Minister for Local Self-Government,
Government of Mysore,
Bangalore.

S i r,

I respectfully beg permission to bring to your kind notice and favourable consideration the following prayer of mine with the fervent hope that needful would be done.

I took my B.Sc degree in 1932, and in August 1933 I was appointed Probationary Excise Inspector and later on after one and a half years of training, posted as Excise Inspector and then confirmed. In all I worked as Excise Inspector for a period of ten years nearly (from 4-8-33 to 8-2-'43). Then I was appointed as Special Officer for the Depressed Class amelioration work. In this capacity I worked for a period of two years nearly. After training for about four months I was appointed Amildar in Govt. Notification No. R. 3247/22-12-44-31 dated 9th November 1944, and posted to Sagar Taluk. - In this capacity I worked till 8-8-'46 for nearly two years; then I was appointed as Probationary Asst. Commissioner in Govt. Notification No. 578/C.B. 60-46-1 dated 6-8-46.

I beg to submit that I have finished the marginally

-----			noted items of training
Training in:-			
1) Dist. & Sub. Divn. Offices:	3 months		and I have also passed
2) Treasury work: ...	2 "		
3) Engineering Training: ...	3 "		all the required tests
4) Accounts Department:	4 "		
5) Survey training	1 month		including Civil Part I and
-----			Part II.

While I was undergoing Survey Training the office of the Superintendent, Revenue Survey and Settlement in Mysore, Bangalore and had completed one month's training there, I was appointed as Personal Assistant to the Hon'ble the Minister for Local Self-Government in G.O.No. 2713-5/C.B. 125-47-1 and I am working as Personal Assistant since 31st October 1947.

In this connection I respectfully beg to submit that I have spent one year and four months under training as Probationary Asst. Commissioner. I also submit that I have been exempted from

undergoing

R.
24/12/47

Taluk Office training (one month) and independent charge of a Taluk (three months) in G.No. 3806-S/C.B.65-46-3 dated 3/4-February 1947 and this would mean that I would be completing my training within four months. The only items of training that I have not completed are the III and the II class Magistracy training.

Here my humble submission is that as I have already worked as Amildar and Ex-Officio II Class Magistrate the training as III and II Class Magistrate may not be necessary in my case. I pray therefore that I may be exempted from these items of training.

I submit that I belong to the Depressed Class community which is very inadequately represented in Civil Service in the State, and that I am as old as 38½ years, when my colleagues who are also Probationary Assistant Commissioners are as old as 24 and even 22 years. Further as I have already represented, I have put in a total service of 14 years and 4 months. I learn that there are specific cases of officers in the Gazetted rank who have been exempted from undergoing training partly or fully and have also been confirmed much earlier than one year where the period of training prescribed was two years.

Therefore in kind consideration of my age and long service I have already put in, I respectfully request that I may kindly be exempted from undergoing the remaining items of training, viz., III and II Class Magistracy training and be confirmed as Assistant Commissioner in any one of the existing vacancies or as a supernumerary, for which benign act I remain ever grateful.

I beg to remain,
Respected Sir,
Your most obedient servant,

Bangalore,

22.12.47

Probationary Asst. Commissioner &
Personal Assistant to the Minister
for Local Self-Government.

I preferred Mr. L. Lingiah, Probationary Asst. Commissioner to the post of my personal Asst as I found him trustworthy and deserving. Therefore this has caused inconvenience to undergo the III and II class magistracy training which are

are the only two items of training remaining
 Apart from this as Amildar he was an ~~ex~~ officer
 II class Magistrate and has acquired the required
 knowledge, as such I feel that he should be
 exempted from the III and II class magistracy
 training. He is the first graduate and the senior
 most and the only officer in the left hand section of
 the Adikarnataka Community - in civil service
 He has, to my personal knowledge, gained very good
 experience in administration and has proved very
 efficient throughout his 14 years of service in different
 capacities. His name in all fairness and fitness of things -
 taking his age, service and the Community into consideration
 should have been the 2nd in the list of Prob. W.M. Commission.
 But unfortunately he has been given the 8th place. This means
 that all those above him much below his age and with
 no previous experience in service welcome his services.
 This causes definite disadvantage to him in securing
 higher cadre of service. His efficiency and conduct
 throughout his service are of a high order.

His present post as my personal Asst. is indispensable. I therefore
 very strongly feel that he should be exempted from
 undergoing remaining items of training and be confirmed
 immediately.

The civil list does not show
 when Mr. Lingiah entered govt service and I had assumed that he
 was taken into govt service as probationer for the first time in 1946
 He has now put in 14 years service and has completed his training
 in all departments, except the Magistracy. In view of the fact that
 he has acted as Amildar for nearly two years I see no reason to
 submit him to this training over again.

If his training can be taken to be completed there seems
 no objection to grant his request for immediate confirmation.
 There are precedents for such a course. I am aware that
 he will be getting seniority over other probationers. But in
 view of the length of service and the fact that he belongs to the D. class,

"I had assumed that he had taken into Government service on probation for the first time in 1946. He has now put in 14 years service and has completed his training in all departments, except the Registry. In view of the fact that he has acted as Auditor for nearly two years, I see no reason to submit him to this training over again.

"If his training can be taken to be completed there seems no objection to grant his request for immediate confirmation. There are precedents for such a course. I am sure that he will be getting seniority over other probationers. But in view of the length of service and the fact that he belongs to the approved classes I think there is justification for taking this step. And it does not involve any gross injustice. The Hon'ble Minister for Revenue and the Chief Minister may see this case."

The proposal to grant exemption to Mr. Lingaiah from undergoing training as III class and II class Magistrate and to confirm him as Assistant Commissioner immediately, has been agreed to by the Chief Minister and the Minister for Public Works and Agriculture and the question has been ordered to be disposed of by circulation.

CIRCULATION NOTE.

Representation of Mr. L. Lingiah, Probationary Assistant Commissioner doing duty as Personal Assistant to the Minister for Local Self-Government, for exemption from certain items of training and for confirmation as Assistant Commissioner.

Mr. L. Lingiah was appointed as a Probationary Assistant Commissioner in August 1946 along with the marginally noted candidates. He reported himself for duty as Assistant Commissioner on

10-9-1946.

Probationary Assistant Commissioner on

10-9-1946. He finished training in the marginally noted items prescribed for Probationary Assistant Commissioners.

Exemption from undergoing training in the Police Office and the Independent Charge of a House was granted to him. The only items of training he had yet to do are the District and II Class and III Class. In

(a) Training in the District and Sub-Division Offices ...	3 months.
(b) Training in Treasury work ...	3 months.
(c) Engineering Training ...	3 months.
(d) Accounts Training ...	4 months.
(e) Survey Training ...	1 month.

October 1947, he was appointed as P.C.S. and Assistant to the Minister for Local Self-Government while he was undergoing

Survey Training.

He represents that he belongs to the backward class community which is very inadequately represented in the Civil Service; that he is 33 years old, while his colleagues who are also Probationary Assistant Commissioners are only 16 and over 22 years of age, and that he has already worked as a soldier and as a clerk in II Class Magistrate for nearly two years and requests that he may be exempted in the circumstances, from undergoing the remaining items of training viz., Magistrate III Class and II Class and that

- (2) -

he may be confirmed as Assistant Commissioner in any of the existing vacancies or as a supernumerary.

The Minister for Local Self-Government has in this connection minutes as follows:

"I proposed Mr. Lingdon, Probationary Assistant Commissioner, to the post of my Personal Assistant as I found him trustworthy, able and deserving. Therefore this has caused inconvenience to him to undergo the III and II Class Registry training which are the only two items of training remaining apart from what he gained as an ex-officio II Class Registrar and has acquired the required knowledge of magisterial work. I feel that he should be exempted from the III and II Class Registry training. He is the first graduate ^{and the Senior clerk} and the only officer in the Left hand section of the Government Community in the Civil Service. He has to my personal knowledge gained very good experience in administration and has proved very efficient throughout his 16 years of service in different capacities. His name is all fairness and fitness of things - taking his age, service and community into consideration should have been the man to see him as a Probationary Assistant Commissioner. But, unfortunately, he has been given the 6th place. This means that all those who are much below his age and with as previous experience in service become his seniors. This causes definite disadvantage to him in securing higher grade of service. His efficiency and

conduct throughout his service are of a high order. His present post as my Personnel Assistant is indispensable. I, therefore, very strongly feel that he should be exempted from undergoing the remaining items of training and be confirmed immediately."

The Dewan has been pleased to signify as under:-

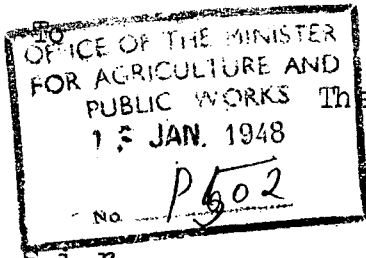

"I had noticed that he was taken into Government Service as Probationer for the first time in 1945. He has now put in 14 years service and has comparatively had training in all departments, except the Legislature. In view of the fact that he has acted as Auditor for nearly two years, I see no reason to commit him to this training over again.

"If his training can be taken to be completed there would be objection to grant his request for immediate confirmation. There are precedents for such a course. I am aware that he will be getting seniority over other probationers. But in view of the length of service and the fact that he belongs to the Depressed Classes I think there is justification for taking this step. And it does not involve any grave injustice. The Hon'ble Minister for Revenue and the Chief Minister may see this over."

The proposal to grant exemption to Mr. Lingdian from undergoing training as III Class and II Class Legislative and to confirm him as Assistant Commissioner immediately, has been agreed to by the Chief Minister and the Minister for Public Works and Agriculture and the question has been ordered to be disposed of by circulation.

I respectfully beg permission to bring to your kind notice and favourable consideration the following prayer of mine with the fervant hope that needful would be done.

I took my B.Sc. degree in 1932, and in August 1933 I was appointed Probationary Excise Inspector and later on after one and a half years of training, posted as Excise Inspector and then confirmed. In all I worked as Excise Inspector for a period of ten years nearly (from 4-8-'33 to 8-2-'43). Then I was appointed as Special Officer for the Depressed Class-amelioration-work. In this capacity I worked for a period of two years nearly. After training for about four months I was appointed Amildar in Govt. Notification No.R.3247/22-12-44-31 dated 9th November 1944, and posted to Sagar Taluk. In this capacity I worked till 8-8-'46, for nearly two years; then I was appointed as Probationary Asst. Commissioner in Govt. Notification No.578/C.B.60-46-1 dated 6-8-46.

I beg to submit that I have finished the marginally

Training in:		
1) Dist. & Sub-Divn. Offices:	3 months.	
2) Treasury work:	2 "	
3) Engineering Training	3 "	
4) Accounts Department	4 "	
5) Survey training:	1 month	

noted items of training and
I have also passed all
the required tests including
Civil Part I and Part II.

While I was undergoing Survey Training the Office of the Superintendent, Revenue Survey and Settlement in Mysore, Bangalore, and had completed one month's training there, I was appointed as Personal Assistant to the Hon'ble the Minister for Local Self-Government in G.O.No.2713-5/C.B.125-47-1 and I am working as Personal Assistant since 31st October 1947.

In this connection I respectfully beg to submit that I have spent one year and four months under training as Probationary Assistant Commissioner. I also submit that I have been exempted from undergoing

Taluk Office training (one month) and independent charge of a Taluk (three months) in G.O.No.3606-8/C.B.65-46-3 dated 3/4th February 1947 and this would mean that I would be completing my training within four months. The only items of training that I have not completed are the III and the II class Magistracy training.

Here my humble submission is that as I have already worked as Amildar and Ex-Officio II Class Magistrate, the training as III and II Class Magistrate may not be necessary in my case. I pray therefore that I may be exempted from these items of training.

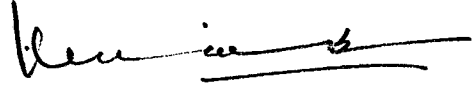

I submit that I belong to the Depressed Class community which is very inadequately represented in Civil Service in the State, and that I am as old as $38\frac{1}{2}$ years, when my colleagues who are also Probationary Assistant Commissioners are as old as 24 and even 22 years. Further as I have already represented, I have put in a total service of 14 years and 4 months. I learn that there are specific cases of officers in the Gazetted rank who have been exempted from undergoing training partly or fully and have also been confirmed much earlier than one year where the period of training prescribed was two years.

Therefore in kind consideration of my age and long service I have already put in, I respectfully request that I may kindly be exempted from undergoing the remaining items of training, viz., III and II Class Magistracy training and be confirmed as Assistant Commissioner in any one of the existing vacancies or as a supernumerary, for which benign act I remain ever grateful.

Bangalore.

"If his training can be taken to be completed there seems no objection to grant his request for immediate confirmation. There are precedents for such a course. I am aware that he will be getting seniority over other probationers. But in view of the length of service and the fact that he belongs to the depressed classes I think there is justification for taking this step. And it does not involve any grave injustice. The Hon'ble Minister for Revenue and the Chief Minister may see this case."

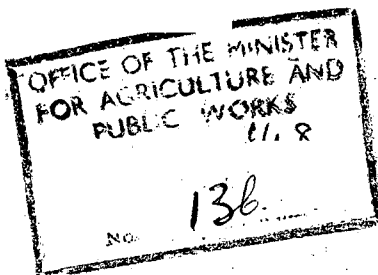

The proposal to grant exemption to Mr. Lingaiah from undergoing training as III Class and II Class Magistrate and to confirm him as Assistant Commissioner immediately, has been agreed to by the Chief Minister and the Minister for Public Works and Agriculture and the question has been ordered to be disposed of by circulation.

The Minister for Local Self-Government has in this connection minutes as follows:-

I preferred Mr. Lingaiah, Probationary Assistant Commissioner, to the post of my Personal Assistant as I found him trustworthy, able and deserving. Therefore this has caused inconvenience to him to undergo the III and II Class Registry training which are the only two items of training remaining. Apart from this as Mr. Lingaiah was an Ex-officio II Class Registrar and has acquired the required knowledge of registral work. I feel that he should be exempted from the III and II Class Registry training. He is the first graduate ^{and the Senior most} and the only officer in the Left hand section of the Adikarnataka Community in the Civil Service. He has to my personal knowledge gained very good experience in administration and has proved very efficient throughout his 16 years of service in different capacities. His name is all fairness and fitness of things - taking his age, service and community into consideration should have been the 2nd in the list of Probationary Assistant Commissioners. But, unfortunately, he has been given the 8th place. This means that all those above him much below his age and with no previous experience in service become his seniors. This causes definite disadvantage to him in securing higher cadre of service. His efficiency and

conduct throughout his service was of a high order. His present post as my Personal Assistant is indispensable. I, therefore, very strongly feel that he should be exempted from undergoing the remaining items of training and be confirmed immediately.

The Dewan has been pleased to minute as under:-

"I had assumed that he was taken into Government service as Probationer for the first time in 1905. He has now put in 14 years service and has completed his training in all departments, except the Registry. In view of the fact that he was acted as jailor for nearly two years, I see no reason to submit him to this training over again.
